Dear Tim and Al:

Greetings in Jesus' name.

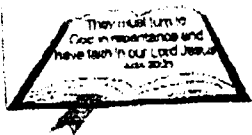

With regard to your offer of a radio discussion on the believer's security with Jim White on Friday, June 16th, please sign and return (via fax) the following agreement to Evangelical Outreach at (724) 632-3210. It would be appreciated if both of you would SIGN THIS AGREEMENT.

The following items are agreed upon by both Tim Berends AND Al Gross regarding a radio debate between Jim White vs. Dan Corner on **THE BELIEVER'S SECURITY** on Friday, June 16, 2000:

—This is an actual debate, that is, where each party can bring up anything relevant to the subject of the believer's security.

—The topic of the discussion will center around the believer's security alone and not veer off to any of the other four points of Calvinism.

—The equally timed exchanges between White and Corner will take place over a time period of approximately 25 minutes of radio time.

**Evangelical Outreach**  
P.O. Box 265, Washington, PA 15301

The same person will not always have the first exchange, that is, if Corner speaks first and then White counters, the next exchange will be White first with Corner countering.

—The exchanges will be **equal and fair** in the amounts of time and not be changed in mid-discussion after one party has commenced speaking.

—Either White or Corner will have the opening four minute statement and the opposite party will have the four minute closing statement.

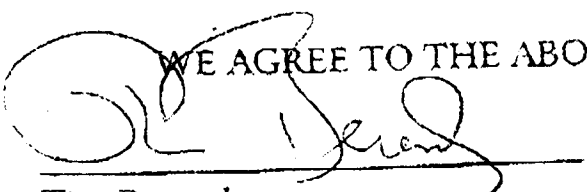

—You will send an unedited tape of the complete debate to Evangelical Outreach.

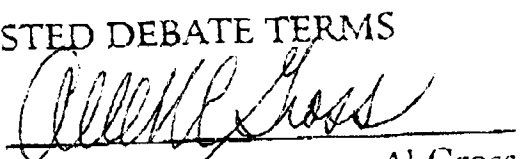

Upon receipt of your fax, I will agree to join you on Friday. If you and Al are unable to sign and return this fax by the end of Wednesday June 14, 2000, I will be willing to re-schedule with you at another time, but please give me more advanced noticed than you did here.

Thank you for this opportunity. God bless you.

Following Jesus,

**Dan Corner**
