

The Fruit And Deceptions Of Eternal Security

There are none righteous... I'm a sinner ... Of course, David remained saved in adultery and murder ... God looks at me and sees Jesus ... If I sin too much and too long God will kill me and take me heaven ... Nothing or no one can pluck me from God's hand ... Only Jesus was perfect.

Stop judging ... I have all kinds of sins ... My salvation doesn't depend on what I do ... All my sins are forgiven—past, present and future ... Sin is no longer the issue ... If you don't believe in eternal security, you believe a works salvation and think we save ourselves... God's seal can't be broken ... Jesus can't lose any sheep ... He said we will never perish ... He'll never leave me nor forsake me.

We aren't saved by good works so we can't be lost by bad works ... Once a son always a son ... We are eternally secure, so let the good times roll ... All our righteous acts are filthy rags ... You can't tell the wheat from the tares ... Nothing can separate us from the love of God.

All the way to heaven is heaven ... If we disown Jesus he'll never disown us ... I lust, you lust, we all lust ... I can't go to hell ... We can't become unborn... Paul was the worst of sinners ... We can live like the devil and still have salvation ... Eternal life is eternal.
