

# Are You Terrified That You Have Committed The Unpardonable Sin?

I swore at  
God and Jesus.

I broke the cross around my neck and threw it in the trash. I imagine I called him all kinds of names. Please help me. Isn't calling the Lord certain names saying he has a unclean spirit even without using the words holy spirit? How do I know for sure if I have committed the unpardonable sin? Please help me. I am terrified. Help. I have lead an adulterous life while professing to be a Christian. If I repent, will God through Christ forgive me? Is there no room for repentance?

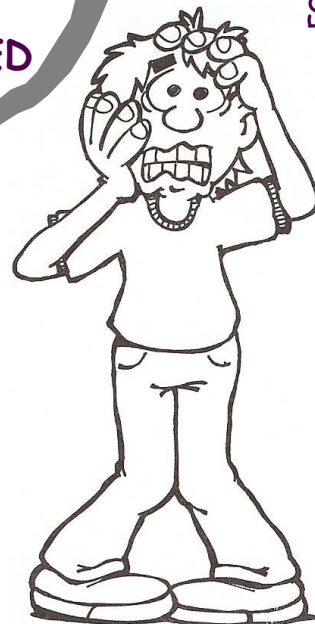

Please help me to understand.

**DID I COMMIT THE  
UNPARDONABLE  
SIN**

I lead a life of drinking, drugs and prison. I'm scared to death. I cursed God, Jesus, the Holy Ghost, the Church and everything connected to it. Do you believe there is any hope? This eats at me all the time. I fell into some pretty grievous sexual immorality. Is it too late for me? I was wondering if the blood of Jesus can cleanse me from foul words to the Holy Spirit or have I committed the unpardonable sin? One day I fell into an old sin, and repented of it, but shortly after, my life started to fall apart and is now ruined. How can I know if the Lord will accept me back? Could you please explain how one who has lost his salvation can get resaved in the light of Hebrews 6:4-6? I fell away for about 5-6 years! Is there still hope for me? If I repent can I still make it? Please help me out here.

**I AM SO  
SCARED**

Eternal sin (blasphemy of the Holy Spirit) is a terrifying subject, yet few seem to know it is **ONLY** committed and related to someone saying/believing that Jesus had a demon and by the power of the devil he performed his miracles (Mk. 3:22-30).

Blasphemy of the Holy Spirit is **NOT** sexual immorality, drunkenness, theft, murder, swindling, slander, idolatry, witchcraft, etc.
