

# How to *Break Out* of Prison to Freedom

If you or someone you know is in prison and *want to break free*, here is a surefire way to escape that will **ALWAYS work, regardless of the obstacles; but, they must sincerely be willing to escape.** Don't waste your time with razor blades, files, hacksaws, bribery or even dynamite. (Shortly I'll tell you about a special type of dynamite.) Don't even think about getting hostages or doing a helicopter land in the prison yard, as some have done in the past. Those methods are all ineffective and completely useless in this prison system, compared to the real way to escape! The remedy I have for you is much more powerful, quicker and quieter too, but to help other prisoners escape too, you'll need something sharper than a sword!

This remedy will work even in the toughest *maximum security prisons*, under the heaviest armed guard in solitary confinement and even for those people on death row. Such circumstances are really not a problem at all. In fact, what I'm about to divulge has already gotten many prisoners free over the years, though **this knowledge is heavily suppressed by the authorities. Surely you can understand why this knowledge (in its pure form) is not commonly known, though there are many cheap counterfeits which don't work at all.** Again, freedom must be in its *pure* form, without adding to or taking away from it. Be aware: *the evil principalities* want the prisoners confined behind their bars and to stay there for life, but they can't stop you from *breaking free*, if you truly act upon the pure remedy.

This is not guess work, but an *absolute guarantee*, and no one will have to smuggle anything into your jail cell! The chains and cuffs will soon come off without any

metal key, as soon as you're ready. **It's up to you to decide the timing.** You will not need any accomplice or getaway vehicle to flee from prison to safety to go into hiding until things *cool down*. You can break free *today*, right after you read this and learn how. **In fact, the sooner the better - do NOT delay!**

Be sure to *read this out loud* and don't worry if the prison guards, chaplains, spiritual leaders, police, judges, lawyers or even the prison warden himself learn the way too. **In most cases, they need this information too**, though they are not behind the kind of *prison bars* you are. Hopefully, it will not fall on deaf ears. So don't be quiet about this. Be as loud and vocal as you can. If you can somehow get up to the prison *housetop*, shout it from roof tops to the people. Even the armed guards in the watchtowers need it too. If you can't get to the house top, **spread it all around the prison yard and don't hesitate - get the Word out ASAP.** The need is so great. The prisoners need to be freed regardless of their sentence and how many times they were *denied a retrial*.

There is only *one way* to escape the horrible confinement of your personal prison house to get real freedom. All prisoners everywhere - worldwide - should be set free, and **this WILL work for them too regardless of their crimes and religious background.** This is so powerful, believe it or not, even a *hardened jailer* from centuries ago learned of the same way, and he and his whole house became filled with *joy* afterwards! Yes, it is true.

The way to escape is not actually *knowledge* itself, but sort of. "The way" is actually a *person*. In fact, he's *the*

*King*, who after being sentenced to death, died in shame like a *criminal* between two others. One criminal who died by the King found freedom as he was dying, and the King himself told him he was going to *Paradise*, which is in the third heaven! The King not only knows how to get there, he himself is **THE WAY** in (Jn. 14:6); he even came from Paradise to help us get there too, but we must follow the King's directives closely. A man named Paul summed up this good news in these words:

I have declared to both Jews and Greeks that **they must turn to God in repentance and have faith in our Lord Jesus** (Acts 20:21).

Paul himself spent much time in man's prison house for proclaiming and defending that same vital message. Imagine that! Oh how our arch enemy, the devil, hates that good news (gospel), and he has offered many worthless counterfeits to deceive people who want to go to Paradise, but are on the wrong road. So, be alert to the devil's counterfeits. The King, the PRECIOUS Lord Jesus said:

"If anyone would come after me, he must **deny himself and take up his cross daily and follow me**. For whoever wants to save his life will lose it, but whoever loses his life for me will save it. **What good is it for a man to gain the whole world, and yet lose or forfeit his very self? If anyone is ashamed of me and my words, the Son of Man will be ashamed of him when he comes in his glory and in the glory of the Father and of the holy angels**" (Luke 9:23-26).

Jesus also told people he had a spiritual *yoke* for us to wear much like oxen, or other animals in the natural have, that would be working in a field and pulling a burden:

Take my yoke upon you and learn from me, for I am gentle and humble in heart, and **you will find rest for your souls**. For my yoke is easy and my burden is light (Matt. 11:29-30).

People who have repented (and become Bible-defined Christians) are described as follows:

Those who **belong to Christ Jesus** have crucified the sinful nature with its passions and desires (Gal. 5:24).

**To turn from your wickedness, which is dragging you to a fiery hell, and to wisely choose to submissively place Jesus' yoke upon yourself to follow and serve him is equated to believing on**

**Jesus. Cry out to God humbly for mercy and forgiveness.** This way is also the same as getting *born again*. When a person is *born again*, he is also forgiven of all of his sins and set free from the sin addictions he was a slave to (John 8:34-36; Rom. 6:22). In particular, it is contact with Jesus' cleansing, precious blood (Rev. 1:5; 1 Pet. 1:19; 1 John 1:7) that brings this *new creation* (2 Cor. 5:17) miracle about.

NOTE: You will never find *rest for your soul* until you come to Jesus on his terms. But there is another part to the question, what is the gospel of Jesus Christ: Jesus taught that **you must turn from sin (repent) or you will perish in hell's fire:**

But unless you **repent**, you too will all perish (Luke 13:3).

Getting *born again* occurs at the point of a trusting-and-submitting faith in Jesus for personal salvation, which includes repentance. All 100% of our trust must be in mankind's only Savior, who is Jesus, in order to have salvation (John 14:6; Acts 4:12; etc.). (The Gospel is the power of God, the dynamite - dunamis, Greek. - of God, Rom. 1:16.) Again, Jesus must be the sole focus of our faith. Many have, unfortunately, been *deceived* into lethally trusting church membership, water baptism, Mary, Saturday Sabbath keeping, Lodge membership, wearing the brown scapular, etc., for salvation. Others are trusting partly in Jesus and partly in something or someone else for their salvation. These people have also been dangerously misled. **If you are a backslider, repent to reverse your spiritually dead and lost condition** (Lk. 15:24 cf. James 5:19-20; Rom. 11:20-23).

Examples of final salvation verses are shown here:

Our salvation is nearer now than when we first believed (Rom. 13:11).

All men will hate you because of me, but **he who stands firm to the end will be saved** (Matt. 10:22).

Someone asked him, "Lord, are only a few people going to be saved?" He said to them, **"Make every effort to enter through the narrow door**, because many, I tell you, will try to enter and will **not** be able to" (Luke 13:23, 24).

Remember 2 Cor. 4:16-18. The word of God is sharper than any double-edge sword (Heb. 4:12). See also Eph. 6:17. Share this message with others and **make your life count for God**. [Evangelical Outreach, P. O. Box 265, Washington, PA 15301]
