

Here is DEFINITE PROOF of the Mark of the Beast

This is about the *ID2020 Alliance, universal digital identification*. The four last paragraphs are here:

The alliance stresses that digital identity is the cornerstone of international development and believes a digital identity should be with a person from birth to death. This objective being pursued by a global collaborative raises many ethical concerns.

As the digital landscape becomes more pervasive, the lines between the physical and real world continue to blur. If the lack of a digital identity under the current paradigm limits participation in the modern economy, the lack of the same under a singular globally recognized system could prevent participation entirely.

If the Alliance's goal is a globally recognized digital identity for everyone from birth to death, will that become a global mandate? How will it be enforced and by whom? What happens to those individuals who are unwilling to participate? Will they be persecuted? And how will the implementation of identification evolve with technology beyond smartphones? Will wearables, implant's like those being used in Swedish subways or some form of digital tattoo become the norm?

As more and more transactions become digital in nature and are built around a single global identification standard, supported by Microsoft, the question of who will govern this evolving global community and economy becomes relevant. Especially since nonparticipants in this system would be unable to buy or sell goods or services.

Do NOT Receive The Mark of the Beast

He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that **no one could buy or sell unless he had the mark**, which is the name of the beast or the number of his name. This calls for wisdom. If anyone has insight, let him calculate the number of the beast, for it is man's number. His number is 666. (Rev 13:16-18)

A third angel followed them and said in a loud voice: "**If anyone** worships the beast and his image and **receives his mark** on the forehead or on the hand, he, too, **will drink of the wine of God's fury, which has been poured full strength into the cup of his wrath. He will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. And the smoke of their torment rises for ever and ever. There is no rest day or night for those who worship the beast and his image, or for anyone who receives the mark of his name.**" This calls for **patient endurance on the part of the SAINTS who obey God's commandments and remain faithful to Jesus.** (Rev 14:9-12)
