

Jehovah's Witnesses Claim To Be "In The Truth" But ...

● **JWs don't pray like first century Christians!** Stephen, filled with the Holy Spirit, **prayed TO Jesus** (Acts 7:59).

● **JWs don't address Jesus like first century Christians!** Thomas called Jesus his Lord and God. The Greek says, "THE LORD OF ME AND **THE GOD OF ME**" (Jn 20:28).

● **JWs don't worship like first century Christians!** God seeks worshipers who will *WORSHIP* him in spirit and truth (Jn 4:23,24). Yet the **SAME GREEK** word for *WORSHIP* (*proskuneo*) is also found various other times showing that first century Christians gave the same exact

thing to Jesus (Mt 14:33; 28:9; 28:17,18; etc.). **Jesus NEVER corrected or refused the disciples' WORSHIP OF HIM**, as he would have if they were in error for giving him what God wants for himself from true worshipers.

● **JWs don't preach the same "good news of the kingdom" as first century Christians did! Paul's message was *repentance* towards God and *faith in Christ Jesus*, Acts 20:21. Verse 25 shows that was "preaching the kingdom."** What an incredible contrast to the ludicrous JW good news of the kingdom that Jesus started to invisibly reign in the heavenlies in 1914!
