

KJV ONLYISM

PRIMARY ARGUMENT

The chief argument to
prove KJV ONLYISM is to

Attack The NIV!

They attack by showing the NIV
has allegedly "omitted words,"
based on the KJV as the
standard of correctness! That
is an example of both an

Assumption and Faulty Logic

for it assumes the KJV is the sole
source of accuracy (without proof)
and fails in the goal of discrediting
ONE SINGLE translation for perhaps
the KJV has added those words!

Attempting to discredit **ANY** one
single translation doesn't logically
prove the KJV is superior over **ALL**
other translations nor does it prove
the KJV is the **ONLY** word of God!
