

# Where is Mary?

On the gates of New Jerusalem are the names of the twelve tribes of Israel (Rev. 21:12). On its twelve foundations are the names of the twelve apostles (Rev. 21:14). In the city itself are the Lord God Almighty and the Lamb as its temple (Rev 21:22), **but Mary is NOT mentioned at all! Mary's name is not found in any of those locations, nor is she alluded to even in a tertiary way, including as its temple.** All this is shockingly different than the way Catholicism has exalted her and given Mary the status of being sinless, sovereign, the hope of sinners, our refuge, the new ark of the covenant, the way to God and more.

**The Mary of Catholicism is a *myth* and has become, for the misinformed, a DANGEROUS SNARE TO THEIR SOULS!**

(Pass this on to others.)
