

Eternal Security Teachers Are Good People, IF...

Dan Corner (EOMIN.org)

Are You Helping Eternal Security Teachers Indirectly

There are people in our day who tend to think the eternal security teachers are *good* people, even within the group who correctly reject their security-in-sin doctrine of *once saved always saved*.

To believe the eternal security teachers are *good people* will communicate to others that their doctrine is not as bad as it actually is. That in turn will open up the possibility for people to be involved in spreading that doctrine by:

- attending their congregations
- giving donations
- giving website links
- giving compliments in conversations
- book endorsements
- using their literature to evangelize
- etc.

That will enable the lethal effects of the eternal security sermon to spread more and **mislead additional precious SOULS to hell.**

Eternal Security Teachers Are Good People, IF ...

- if it doesn't matter that true Biblical **grace has been changed by them into a license to sin.**
- if it doesn't matter **they can teach the exact opposite of the Lord Jesus** in Mt. 10:33, that is, you can disown Jesus but he will never disown you.
- if spreading the devil's original lie of Gen. 3:4, that is, ***the righteous won't die spiritually through sin, to the damnation of multitudes is not serious before God.***
- **if Jude was wrong in his epistle** as he described the grace changers as rushing for profit into Balaam's error (v. 11), shepherd's who feed only themselves (v. 12), scoffers who follow their own natural desires, divisive and don't have the Spirit of God (vs. 18,19), etc.
- **if preaching a false gospel doesn't matter.** Compare 1 Cor. 15:2 to Gal. 1:8,9.
- **if minimizing the seriousness of lethal sin** after conversion is incidental.
- **if avoiding and distorting hundreds of Scriptures to protect and declare the dangerous poison of once saved always saved isn't serious.** The so-called eternal security verses have

been twisted and distorted out of their context and meaning to imply eternal security!

- if teaching Christians *to relax* regarding their salvation, the very thing Paul warned *against* in Gal. 6:8,9, is okay and not serious.

- if setting Christians up for a dangerous spiritual fall (1 Cor. 10:12) is irrelevant.

- if teaching the exact opposite of what Jesus declared in Luke 13:24 is *harmless* and a Christian thing to do.

- if denying that we need to love God and be faithful to him for *salvation's sake* is permissible.

- if it doesn't matter that a backslider on the road to hell and in desperate need of repentance for *salvation* is deceived by these teachers into thinking he is on an irrevocable road to heaven because of grace, the gospel, the cross, Jesus' blood, the seal of the Spirit, imputed righteousness, etc.

- if all the broken homes through adultery then *divorce, suicides and criminal acts* that resulted because of this teaching is no big deal.

Eternal Security Teachers Are Really Ravenous Wolves

What does it take to reveal a ravenous wolf in sheep's clothing? If the eternal security teachers are not wolves in sheep's clothing for doing all the above, how much more evidence would it take? **If you are convinced eternal security teachers are *dangerous* to Christians, WHY are you indirectly spreading the devil's message through those wolves to the eternal detriment of SOULS?** The eternal security teachers should be refuted and exposed at every turn. All Christians are commanded to do this. Such is not extreme or obsessive. It is simple obedience to God:

Dear friends, although I was very eager to write to you about the salvation we share, I felt I had to write and urge you to contend for the faith that was once for all entrusted to the saints. For certain men whose **condemnation** was written about long ago have secretly slipped in among you. They are **godless men**, who change the grace of our God into a license for immorality and deny Jesus Christ our only Sovereign and Lord. (Jude 3,4)

Their gospel is not the true gospel! **Their gospel is *another gospel*, that is, a dangerous counterfeit.** Therefore, do not *tolerate Jezebel* or be guilty of *spiritual treason*! There are at least nine good reasons why you too should hate eternal security. **Eternal security teachers are THE MAJOR PROBLEM in *evangelical* circles.**
